Defendants Judge James G. Bertoli; Judge Robert S. Boyd; Superior Court of California, County of Sonoma; Court of Appeal, First Appellate District; Presiding Justice Ignazio J. Ruvo and Judicial Council of California ("Defendants") hereby object to Plaintiff's *Ex Parte* Application entered by the Court on August 6, 2012 and apparently filed on May 29, 2012. Despite the requirements enunciated by F.R.C.P. § 5(a)(1) and this Court's prior Order requiring Plaintiff to serve Defendants with all filed documents (Court's December 16, 2011 Order – Docket at 38), Plaintiff continues to file documents without serving copies to Defendants. As a result, Defendants have not received a copy of Plaintiff's current Application, nor do they have any knowledge of the substance of Plaintiff's request therein. Pursuant thereto, Defendants object to Plaintiff's Application and request the Court decline to rule until such time as Plaintiff serves Defendants with copies of all such pleadings and provides the Court with an executed proof of service.

Defendant's objections are DENIED. The document in question was submitted to the Court on May 29, 2012, and was addressed in the Court's Order May 31, 2012 (Docket No. 50.) The Court discovered that, inadvertently, the original was never filed in the Court's Docket, however, and thus the Court directed that it be filed in the record.

The Court also determined that the matters therein were sealable.

Defendants shall serve a copy of this Order on Plaintiff.
